Find us also in [Facebook](#) and [Twitter](#) for regular updates!

- Hands on support to the selective Activista members to conduct advocacy and campaign through digital tools and techniques considering the local context.
- Provide training on digital literacy to the excluded young people specially women.
- Hands on support to develop capacity of young people on situation analysis of digital violence in terms of social cohesion and protection with using relevant tools.
- Hands on support to young people for designing and conduction of digital campaign considering the contextualized and contemporary issues relevant with the thematic areas along with common causes.
- Hands on support to the young people to be connected with the various network, platform and organization.
- Hands on support to practice reflection action cycle and training session at Local youth hub.
- Motivate young people to develop innovative ideas to demonstrate in terms of social cohesion. Cyber security and protection etc.
- Support Global Platform colleagues to design curriculum and facilitate trainings and coordinate actions with local youth hubs.
- Hands on support to the selected Activista members to capture inspirational stories of their interventions.
- Demonstrate model and tools on GRPS and public service accountability with the active participation of young people.

Work with the other partners, groups, organisations (20% of time)

- Hands on support to the Activista member to be connected with solidarity network and other organizations.
- Hands on support to the Activista to conduct online campaign through social media and networking.
- Develop capacity of Activistas for using relevant tools of GRPS and public service accountability.
- Hands on support to the Activista members on practicing their leadership and developing their organizational practice.
- Hands on support to the young people to conduct evidence-based advocacy with relevant stakeholders.

Other tasks that are common for all Inspirators (20% of time)

- Provide mentorship for young people who have attended trainings at the GP
- Mentor and support young people in their creative campaigning and organising efforts at the GP youth hubs.
- Support specific learning and campaign activities coordinated by ActionAid or the GP
- Participate in knowledge sharing networks like the Global Inspirator Learning network
- Cross-country knowledge exchange initiatives
- Personal training and development through induction courses and other training opportunities

Relationships

Inspirator will report to Deputy Manager–Partnership and Programme of Action4Transformation (A4T) Project of ActionAid Bangladesh. S/He has to maintain functional relationship with his/her peers, greater programme team including project teams under PPC Directorate and organization's priority teams. S/He must be able to communicate with other teams and units both programme and operational.

Required Educational Qualification and Experience

- Graduate from any discipline with good academic results.
- Preferable - Knowledge on democratic spaces, government service delivery and practicing social accountability tools.
- Minimum 1-year professional experience preferably around youth work, particularly in the areas of volunteer management, knowledge management, democratic governance, gender responsive public service and communicatio.

Technical Skill

- Have practical experience with planning and carrying out creative campaigns.
- Have experience working with and for young people's agenda.
- Have practical experience with doing action research.
- Be a facilitator by heart, and know how to remain in the back seat, supporting others to learn and achieve results.
- Have a creative approach to campaigning and advocacy.
- Have experience with using participatory methods.
- Have strong facilitation and mentoring skills.
- Have the ability to inspire and motivate others.
- Have a solid organisational network and are good at making linkages.
- Have full working knowledge of English.
